

DIRECTIONS: Take one to two softgels twice daily with food, or as directed by your healthcare practitioner.

Children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not use if tamper seal is broken.

ConjuLean 1000™ is a patented form of conjugated linoleic acid (CLA). The yield of CLA is at least 78%, providing 1.56 g of pure CLA per serving. Animal and human studies suggest that CLA may reduce body fat and help maintain healthy body composition and lean muscle mass.*

ConjuLean 1000 is guaranteed to provide the highest levels of pure CLA and contains those isomers that are most commonly associated with positive health benefits. While CLA in the diet is found primarily in dairy products and beef fat, ConjuLean 1000 is derived from pure, non-GMO safflower oil.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

STORAGE: Keep tightly closed in a cool, dry place out of reach of children.

DOES NOT CONTAIN: Wheat, gluten, corn, yeast, soy protein, dairy products, fish, shellfish, peanuts, tree nuts, egg, artificial colors, artificial sweeteners, or preservatives.
