Store in a cool, dry place. Please Recycle.

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

SUGGESTED USAGE: As a dietary supplement, take 1 Vcap® 1 to 3 times daily with or without food. Consider taking this product in combination with NOW® Pantethine, CLA and Lecithin.

L-Carnitine is a non-essential amino acid that helps to maintain overall good health by facilitating the transfer of fatty acid groups into the mitochondrial membrane for cellular energy production.* It naturally occurs in red meat and other animal source foods, but we recommend supplementation to obtain optimal levels of this excellent amino acid. NOW® L-Carnitine is the purest form, clinically tested, and vegetarian (non-animal sourced).

Manufactured by NOW FOODS, 395 S. Glen Ellyn Rd.

Bloomington, IL 60108 Made in the U.S.A. www.nowfoods.com

Pure L-Carnitine is an amino acid that normally attracts water which can cause it to deteriorate rapidly. We use a tartrate form to help ensure that this product maintains stability and full potency.

Contains no sugar, salt, starch, yeast, wheat, gluten, corn, soy, milk, egg, shellfish or preservatives.

Vegetarian/Vegan Product.

Carnipure™ offers purest L-Carnitine and is a trademark of Lonza Ltd, Switzerland.; Vcaps® is a registered trademark of Capsugel.
