The 7-Day Total Nutritional Cleansing Program is a revolutionary detoxification program, scientifically formulated to promote gastrointestinal health and complete nutritional support for your body as it goes through the detoxification process. It is a 2-step process that prepares the digestive and gastrointestinal systems for detoxification of natural body toxins while nourishing the body. After completing the 7-day program most people feel energized, have an increased sense of well-being, have shed some pounds and have taken vital steps toward ensuring good health. For vibrant health, improved digestion and increased energy, revitalize yourself by scheduling the 7-Day Total Nutritional Cleansing Program every 3 months.

- The Program Kit Includes:**
- 1 - 248 g bottle of RevitalX Intestinal Rejuvenation Formula - Step 1 (Days 1 to 4)
 - 1 - 355.5 g bottle of Detoxitech Detoxification and Cellular Cleansing Formula - Step 2 (Days 5 to 7)
 - 7 Supplement packets, one for each day, each packet contains:
Colon Support* - 2 tablets
Liver Support* - 3 capsules

Suggested usage: Step 1 (Days 1 to 4): Take 1 scoop (31 g) of RevitalX powder twice per day in water or follow mixing instructions below.
Step 2 (Days 5 to 7): Take 2 scoops (38.5 g) of Detoxitech powder three times per day in water or follow mixing instructions below.

All 7 Days: Take 1 packet of enclosed Liver and Colon Support supplements every day at noon. Include a liberal diet of raw and/or steamed vegetables and fresh fruits. Drink a minimum of 8 glasses of pure water or herbal teas daily.

RevitalX® Step 1

Suggested usage: Mix 1 scoop (31 g) in 8 fl oz of purified water or freshly pressed juice (vegetable or fruit) or make a smoothie by blending 1 scoop (31 g) with 8 fl oz of purified water and 1 cup of frozen organic berries or other fruit. Drink 5-8 fl oz of purified water and 1 cup of frozen organic berries or other fruit. Stir and drink immediately.

During Step 1 on the 7-Day Total Nutritional Cleansing Program, RevitalX helps you rest and rejuvenate the gut, getting rid of internally generated natural body toxins and paving the way for powerful detoxification using Detoxitech in Step 2.*

Contains no artificial colors, preservatives, or sweeteners; no dairy, wheat, gluten, yeast, egg, fish, shellfish, or GMOs.

Detoxitech® Step 2

Suggested usage: Mix 2 scoops (38.5 g) in 8 fl oz of purified water or freshly pressed juice (vegetable or fruit) or make a smoothie by blending 2 scoops (38.5 g) with 8 fl oz of purified water and 1 cup of frozen organic berries or other fruit. Stir and drink immediately.

During Step 2, Detoxitech fully supports every process used by the body to transport, detoxify and excrete natural body toxins.*

Contains no artificial colors, preservatives, or sweeteners; no dairy, wheat, gluten, yeast, egg, fish, shellfish, or GMOs.

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Sealed for your protection. Do not use if seal is broken. After opening, store in a cool, dry place.

Caution: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you are taking medication, have a medical condition, or anticipate a surgery. If you have a liver disorder or develop symptoms of liver trouble (such as abdominal pain, dark urine, or jaundice) or if you have gallstones or a bile duct obstruction, consult a health professional prior to use. Keep out of the reach of children.
