PROBIOTIC+ is a *daily, all-in-one, synbiotic* that promotes your systemic health. It has **probiotics**, aka healthy gut bacteria, to support proper digestion and gut health, **prebiotics** that provide fuel for the healthy bacteria, and **zinc carnosine** to promote a healthy gut lining. Experience physician formulated support for your digestive, cardiovascular, skin, and immune systems. Also, our delayed release veggie capsules protect the healthy bacteria strains from harmful stomach acid.*

Suggested Use: Take 2 capsules once daily, 30 minutes to 1 hour before a meal to help optimize gut flora and gut support.

Storage: Shelf stable so no refrigeration is required.

WARNINGS: This product is only intended for healthy adults, 18 years of age or older. Do not use if pregnant or nursing. Consult with a physician before taking this or any dietary supplement product, especially if you are taking medication or have a medical condition. Use only as directed. Store in a cool, dry place.
