DIRECTIONS: Take two capsules twice daily, or as directed by your healthcare practitioner.

Children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

MedCaps Menopause™ is a unique combination blend that is formulated to provide nutritional targeted nourishment for women during menopause. It features specially selected herbs and nutrients that support the adrenal glands' adaptive response as well as support circulation, relaxation and overall well-being. Featuring a non soy derived source of isoflavones, MedCaps Menopause may also beneficially influence estrogen receptor function.*
