**WOMEN IN MENOPAUSE  
EXPERIENCE HOT FLASHES / NIGHT SWEATS**

**Recommended Serving: 2 capsules daily,**  
taken with food. When starting to use Crila®  
it is recommended to take 2 servings daily  
for the first 10-20 days.

**WARNING:** Diabetics, hypoglycemics, pregnant or lactating  
women, and people with known medical conditions and/or  
taking drugs should consult with a licensed physician and/or  
pharmacist prior to taking dietary supplements. Keep out of  
reach of children. Do not use if inner seal is broken or missing.  
Store in a cool dry place away from heat and moisture.

**Processed in the USA from imported and domestic  
ingredients at an FDA Registered and Audited GMP Facility.**
