MEN OVER 50  
EXPERIENCE DECLINING PROSTATE FUNCTION

**Recommended Serving:** 2 capsules daily, taken with food. When starting to use Crila® it is recommended to take 2 servings daily for the first 10-20 days.

**WARNING:** Diabetics, hypoglycemics, pregnant or lactating women, and people with known medical conditions and/or taking drugs should consult with a licensed physician and/or pharmacist prior to taking dietary supplements. Keep out of reach of children. Do not use if inner seal is broken or missing. Store in a cool dry place away from heat and moisture.

Processed in the USA from imported and domestic ingredients at an FDA Registered and Audited GMP Facility.
