

**A clean energy solution
No crashing, no jitters!**

Energy & Focus is a cellular powerhouse making it highly effective for supporting vibrant natural energy levels and concentration.*

Assists in recharging the electrical potential of healthy cells. The small molecular size allows it to cross the blood brain barrier, making it significant for the normal electrical activity of brain function, focus and clarity.*

- Higher quality source material
- Superior processing

Provides a much better solution than high sugar, caffeine, or herbal formulas. Helps break the uncomfortable rollercoaster of energy ups and downs throughout the day. Energy & Focus provides natural energy through its revitalization of cells and is helping to stabilize normal blood sugar levels to ward off sluggishness.*

**Contains NO chemicals, additives, fillers or binders
100% fulvic concentrate and nothing else!**

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease. If you have health problems, consult a health care professional before use.

Directions: Adults: 3 droppers full (approx. 30 drops) as needed throughout the day for an energy boost. (Dropper bulb pulls 1 ml, which is 10 drops). Drink undiluted or add to non-chlorinated water or juice. Refrigeration is recommended, but not essential.

Since our products do not spoil like a food item, we list the Manufacture Date, to show freshness, instead of an Expiration Date. See date below.

Precautions: Use only as directed. If you are pregnant, nursing or have a serious medical condition, consult a health professional before use.
Keep out of reach of children.

Proudly Made In The USA
