

New Formula

**A top selling favorite
for active people!**

Sweetened with Organic Stevia - NO Xylitol!

Now with boosted amounts of Chondroitin and MSM

Vital Joint Support is a collaboration of ingredients designed to help balance and support the body's normal healthy joint structure.*

- ✓ Helps retain natural resiliency of joints*
- ✓ Assists continued ease of movement, aids normal joint lubrication*
- ✓ Encourages healthy ligaments, tendons, connective tissue*
- ✓ Helps create the cushioning fluids that allow better mobility*

The magic ingredient...Fulvic

It's what the other formulas don't have! This unique ingredient provides the catalyst for superior utilization, absorption and ionization of all the ingredients in Vital Joint Support. It carries nutrients right through cell membranes deep into the cell itself for maximum impact.*

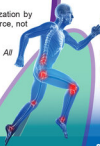

Shellfish-free Glucosamine

Glucosamine HCl (hydrochloride) offers more advanced utilization by the body because it's from a highly absorbable vegetarian source, not the shells of shellfish.* Perfect for those who avoid shell-fish.

Note: the formula contains chondroitin from a bovine source. All ingredients other than chondroitin are from a vegetarian source.

- No xylitol, sugar, HFCS or artificial sweeteners
- No added soy, dairy, yeast, gluten, or GMO's

Vital Earth
MINERALS™

Vital Joint Support

NEW!

**Reformulated for faster relief of
discomfort, better mobility, and long
term joint and cartilage support***

Better value because it's more absorbable*

- Now with higher amounts of Chondroitin and MSM
- New proprietary blend of Aloe, Maqui Berry Superfruit, Tart Cherry Juice, Hyaluronic Acid, and Boswella
- Fulvic base - carries nutrients right into cells*
- Glucosamine from a vegan source - shellfish free*
- Nourishes cartilage, ligaments and joints*
- Low glycemic* - sweetened with Organic Stevia
- Powerful USP grade ingredients*

Natural Wild Berry Flavor

Joint Support Dietary Supplement

30 Day Supply • 32 fl. oz. (1 Quart) 946 ml

Directions: Adults: 1 fluid ounce, 1 to 2 times daily, as needed. (The bottle cap is one ounce).
For best taste, dilute in purified water. Diluting does not diminish the effectiveness. To increase absorption, take with food. Since our products do not spoil like a food item, we list the Manufacture Date, to show freshness, instead of an Exp. Date. (See manufacture date on bottom of bottle)

Shake well - Refrigerate after opening
