

WHAT YOU NEED — AND NOTHING ELSE

SaltStick® FastChews® are delicious, chewable tablets that provide a similar ratio of electrolytes to what your body loses through sweat. Our scientific formula relies on cleanly sourced, buffered ingredients to help minimize heat stress and muscle cramping due to dehydration, without causing stomach discomfort.†

FastChews are ideal for anyone who sweats, including athletes and outdoor workers, or in situations where you need a boost of electrolytes.†

SUGGESTED USE: Take 2 tablets every 15-30 minutes during physical activity, for up to 50 tablets daily. To improve electrolyte absorption, let FastChews dissolve in your mouth before swallowing.

NATURAL FLAVOR

NON-GMO

GLUTEN FREE

NO ARTIFICIAL SWEETENERS

VEGETARIAN
