

Living Fuel's Super Essentials® Omegas 3EDA+

Living Fuel's Super Essentials® Omegas 3EDA+ combines the ultimate in antioxidants and essential fatty acids with a full spectrum Vitamin E (tocotrienols and tocopherols), cold water fish-derived Vitamin D, Vitamin A, Vitamin K2, and Astaxanthin for Maximum Human Nutrition™. Beyond clean air and fresh water, Super Essentials Omegas is the next, most important step toward Super Health – the single most important supplement you can take! Super Essentials Omegas contains the finest natural sardine, anchovy and mackerel oils that are ultra-purified using a proprietary flash molecular distillation process and rigorously tested for impurities including PCBs, mercury, other heavy metals or oxidized contaminants. **Full spectrum Vitamin E**, including Tocotrienols and Tocopherols from sustainably sourced EVNol palm oil, is a powerful antioxidant with numerous well known health benefits. In addition to the general antioxidant benefits, Super Essentials Omegas contains significant amounts of all eight fractions of Vitamin E to protect against rancidity in the bottle, but more importantly, to protect the delicate polyunsaturated fats from lipid peroxidation in the body. **Vitamin K2** supports optimal calcium utilization for healthy bones and teeth and helps prevent osteoporosis by supporting optimal calcium metabolism. Vitamin K2 also helps prevent heart disease by decreasing calcification and related inflammation. **Vitamin D**, among its myriad of well documented health benefits, helps to maintain normal blood levels of calcium and phosphorus which helps to sustain strong bones. **Vitamin A** is a powerful antioxidant that promotes growth, healthy skin and good vision. **Astaxanthin**, a carotenoid, is an extremely powerful naturally occurring fat soluble antioxidant. **Omega 3 EPA/DHA** is critical to human health and longevity and promotes healthy cellular function. **GLA**, an Omega 6 oil, is included to balance the Omega 3 and Omega 6 pathways for the production of beneficial prostaglandins. The ingredients in Super Essentials Omegas are rigorously tested to guarantee unparalleled levels of purity. **Super Essentials Omegas DOES NOT CONTAIN** GMO, soy, wheat, gluten, rye, oats, corn, yeast, egg, sugar, wax, preservatives, casein or any other milk derivatives. These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease. **KEEP OUT OF REACH OF CHILDREN.**

Natural Dietary Supplement
Purity Guaranteed
120 Softgel Capsules

DIRECTIONS

For optimal results, **take one softgel per 25 pounds of body weight per day** up to a total of 12 or more as directed by a health care professional. For example, 200 lbs = 8 softgels per day; 125 pounds = 5 softgels per day. Adults take a minimum of four softgels daily. *Essential for pregnant and nursing women as directed by a health care professional.*

SUPPLEMENT FACTS

Serving Size: 1 Softgel Capsule

Amount Per Serving		% Daily Value*
Calories:	10
