Supplement Facts

Serving Size 1 Tablet
Servings Per Container: 60

Amount Per Serving	% DV
Pine Bark Extract	150 mg *
(Stand. to contain 95% oligomeric proanthocyanidins)	

* Daily Value is not established.

Other Ingredients: Dicalcium phosphate, stearic acid, magnesium stearate, microcrystalline cellulose, croscarmellose sodium, silicon dioxide.

Directions: As a dietary supplement, take one (1) tablet per day with a meal, or as directed by a health care professional.

Pine bark extract is made from the bark of the European coastal maritime pine tree. The group of antioxidants found in pine bark extract are known as oligomeric proanthocyanidins, or OPCs for short.
