

DIRECTIONS: Take one or two softgels one to three times daily, or as directed by your healthcare practitioner.

Children, pregnant or lactating women, and individuals using blood thinners should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

OmegaPure 600 EC™ is an ultra-pure fish oil sourced from Norway. This highly concentrated oil provides 600 mg of omega-3 essential fatty acids per softgel. In order to assure maximum freshness, the oil is stabilized with vitamin E, as mixed tocopherols, is molecularly distilled and is independently verified to be free of PCBs, heavy metals, and pesticides. EPA and DHA from fish oil promote cardiovascular health by supporting optimal triglyceride and cholesterol levels and reducing platelet aggregation. Fish oil has also been shown to promote optimal joint function and overall brain and nervous system function. For optimal compliance and absorption, it has been provided in a pleasant smelling enteric-coated softgel.*
