

Evening Primrose oil is rich in Gamma Linoleic Acid (Omega-6 fatty acid) that has excellent anti-inflammatory properties.* It supports cardiovascular health, immune function, helps to ease leg pain due to blocked blood vessels and may aid in healthy weight management.* Evening Primrose oil supports women's health as it may help to ease symptoms of premenstrual syndrome & menopause.*

SUGGESTED USE: As a dietary supplement, adults take one (1) softgel daily, preferably with a meal or as directed by a health care professional.

WARNING: If you are pregnant, nursing, taking any medications, planning any medical procedure or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.
