

HERBAL SECRETS™ Grapeseed Extract is derived from the ground-up seeds of grapes. Grapeseed Extract is rich in resveratrol and unique antioxidants.* These antioxidants may help to strengthen the immune system, increase intracellular vitamin C levels to strengthen capillaries, protect the blood vessel walls from inflammatory stress, and may improve blood oxygen circulation throughout the body.* When taken regularly, Grapeseed Extract may help to protect soft tissue collagen in the joints and skin from free radical damage.*

CAUTION: For adults only. Not intended for use by pregnant or nursing women. If you are taking any medication(s), planning any medical procedure or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
