

HERBAL SECRETS® Hawthorn Berries contain a wide range of flavonoids providing great health benefits.* These antioxidant flavonoids, including OPCs may help dilate blood vessels, improving blood flow and may help to protect blood vessels from free radical damage.* Regular use may help to promote energy production and reduce anxiety and nervousness.*

SUGGESTED USE: As a dietary supplement, adults take one (1) capsule three to four times daily with meals or as directed by a health care professional. (Capsules may be opened and prepared as a tea.)

CAUTION: If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Not intended for use by persons under the age of 18.
