

HERBAL SECRETS® Prostate Support combines three high quality herbs into a powerhouse blend to promote prostate health. Saw Palmetto and Stinging Nettles support prostate health in men, and may help facilitate the flow of urine, reducing strain on the bladder.* Pygeum bark contains phytosterols such as beta-sitosterols, which exhibit anti-inflammatory action by inhibiting the production of prostaglandins in the prostate, also supporting prostate health.*

SUGGESTED USE: As a dietary supplement, adult men take 2 capsules daily, preferably with a meal or as directed by a health care professional.
