

Herbal Secrets™ Echinacea & Goldenseal Root all-natural supplement combines two well-known powerhouse herbs known for their antibiotic and anti-inflammatory properties.* The combination supports immune function by stimulating the production of T-cells.* It may help fight the inflammatory and congestive elements of the common cold by soothing conditions in the inner membranes of the nose and throat.* It supports wound healing and may help reduce inflammation in arthritis and inflammatory skin conditions.* This combination has been used to aid in healing everything from sunburns to the common cold.*

SUGGESTED USE: As a dietary supplement, adults take one (1) capsule twice daily, preferably with a meal. (Capsules may be opened and prepared as a tea).

CAUTION: Not intended for use by pregnant or nursing women. If you are taking any medication(s) or have any medical condition, consult your doctor before use. Avoid this product if you are allergic to sunflowers or dairy-like flowers. Discontinue use and consult your doctor if any adverse reactions occur. Not intended for uses by persons under the age of 18.
