

Indigenous to the Mediterranean region, the chaste tree is actually a small shrub that bears violet flowers and reddish black berries. When the berries are ripe, they are dried out and used for medicinal purposes. Herbal Secret's Vitex Fruit supplement regulates hormone imbalances in women.* It helps maintain menstrual disorders, PMS, menopausal symptoms such as breast tenderness, hot flashes, mood swings, infertility and decreased milk production in lactating women.*

CAUTION: For adults only. If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.
