Aquamin® is a mineral supplement derived from red algae harvested off the coasts of Ireland and Iceland. Aquamin® is an abundant vegetarian source of bioavailable Calcium and Magnesium and has over 70 other important trace minerals. Research has indicated that this multi-mineral complex may support a healthy inflammatory response, as well as proper bone mineralization. Clinical studies demonstrate that Aquamin® can help to support joint comfort and mobility. This formula also supplies vegetarian-sourced Vitamin D to further support bone health.*

SUGGESTED USAGE: As a dietary supplement, take 4 capsules daily, preferably with food. Consider taking these other NOW® products: Flex Mobility™ and MSM.

Red Mineral Algae

JOINT HEALTH*

Vegetarian Calcium
