

Suggested Usage: Take 2 capsules 1 to 3 times daily.
Beta-1,3/1,6-D-Glucan (Beta-Glucans) is a bioactive carbohydrate derived from the cell wall of *Saccharomyces cerevisiae*, commonly known as bakers' yeast. Scientific studies have shown that Beta-1,3/1,6-D-Glucan supports a healthy immune system through its ability to maintain several aspects of the body's normal immune functions.* Our Beta-Glucans is completed with ImmunEnhancer™, a high molecular weight polysaccharide extracted from the larch tree that has been studied for its ability to promote a healthy immune response.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product.
