

Suggested Usage: Take 2 capsules 2 to 3 times daily.

Cordyceps sinensis is a fungus that has been used by traditional Chinese herbalists for its energizing and adaptogenic properties for centuries.* *Cordyceps* has numerous bioactive compounds, including polysaccharides and nucleosides, which have been studied for their broad range of biological activities.* Modern scientific studies have shown that *Cordyceps* constituents possess free radical scavenging properties and suggest that they may also support a healthy immune system and promote normal vascular function.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Do Not Eat Freshness Packet. Keep in Bottle.
