**120 Capsules**  
Dietary Supplement

• Supports Healthy DHEA Levels  
that Decline with Age\*

**DHEA**  
50 mg

**LUCKY**  
**VITAMIN**

**Suggested Use:** As a dietary supplement, adults take one (1) capsule daily with meals, or as directed by a health care professional. Store in a cool, dry place and away from direct light.

## Supplement Facts

Serving Size One (1) Capsule

Each Capsule Contains	% Daily Value
DHEA (Dehydroepiandrosterone)	50 mg

\* Daily Value not established.

**Other Ingredients:** Gelatin, water (capsules), rice powder, magnesium stearate and silica.

DHEA is a hormone produced by the adrenal gland. DHEA levels decline during aging.

**Keep out of reach of children.**

Store in a cool, dry place and away from sunlight.

**Caution:** Not for use by individuals under the age of 18 years. Do not use if pregnant or nursing. Consult a physician or licensed qualified health care professional before using this product if you have, or have a family history of, prostate cancer, prostate enlargement, heart disease, low "good" cholesterol (HDL), or if you are using any other dietary supplement, prescription drug, or over-the-counter drug. Do not exceed recommended serving. Exceeding recommended serving may cause serious adverse health effects. Possible side effects include acne, hair loss, hair growth on the face (in women), aggressiveness, irritability, and increased levels of estrogen. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heartbeat, dizziness, blurred vision, or other similar symptoms.
