

This product has been formulated to offer comprehensive nutritional protection for the eyes.* Each serving has 10 mg of available lutein, a critical pigment of the macula, lens, and other ocular tissues.* Lutein is a free radical scavenger related to beta-carotene that defends the eye from the ravages of sunlight.* We have also included green tea extract, alpha lipoic acid and grape seed extract in this formula to maximize its free radical scavenging potential.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.
