

Suggested Usage: Take 1 capsule daily.

Ginger root (*Zingiber officinale*) has been used since antiquity to support digestive function and ginger's historical applications have been validated by modern research.* Scientific studies have demonstrated that ginger may help to maintain healthy GI flora, aid the digestion of dietary fats, and calm and soothe the digestive tract.* In addition, ginger possesses a number of constituents that may support healthy cardiovascular function and promote a balanced immune system response.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication (especially anticoagulant drugs or NSAIDs), or have a medical condition (especially gallstones or a heart condition). Keep out of reach of children.
