

**Suggested Usage:** Take 1 capsule daily.

*Gymnema sylvestre* is an herb that has been used traditionally in India for centuries. Modern research has shown that this herb may help to support healthy glucose metabolism through its ability to promote healthy pancreatic function.\* In addition, *Gymnema* exhibits potent free-radical scavenging properties.\* Our *Gymnema Sylvestre* Extract is standardized to Gymnemic Acids, which are the compounds that have been identified as its bioactive constituents.\*
