

Suggested Usage: Take 2 capsules 1 to 2 times daily. Magnesium and Potassium are two minerals that are ubiquitous throughout the body and play fundamental roles in cell and tissue health.* They are especially critical for the maintenance of healthy heart and vascular function, the proper transmission of nerve impulses, and the contraction of muscle.* Taurine also helps to support neuromuscular and cardiovascular health through its role in the regulation of normal electrolyte and neurotransmitter balance.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.
