

Suggested Usage: Take 1 capsule daily as needed, with a meal. This high potency capsule should be taken under doctor's supervision.

Caution: For adults only. Do not exceed recommended dose. Do not take on an empty stomach. This product may cause a temporary flush, itching or tingling red rash on the skin. This reaction is normal and harmless. If you experience any prolonged discomfort, discontinue use and consult your physician. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product.
