

SUGGESTED USAGE: Add 1 level scoop daily to 12 oz. of cold water, juice, or your favorite beverage. Stir or blend.

Peas are well known for being a source of highly bioavailable protein. Additionally, peas are not considered one of the major dietary allergens. Collectively, this makes pea protein an ideal source of post-workout nutrition for athletes who may have difficulty supplementing with other types of protein. Our Pea Protein is a non-GMO vegetable protein isolate that has 24 grams of easily-digested protein. Each 1 scoop serving typically has over 4,200 mg of branched-chain amino acids, and over 2,000 mg of arginine. Our Pea Protein is pure and natural, unflavored, and mixes easily into your favorite beverages.

NOTICE: Use this product as a food supplement only. Do not use for weight reduction.
