

Suggested Usage: Take 1 capsule daily between meals or on an empty stomach.

KEEP REFRIGERATED TO MAINTAIN POTENCY.

This product offers a balanced spectrum of live organisms consisting of acid-resistant probiotic bacterial strains that are known to naturally colonize the human GI tract.* Probiotic bacteria are critical for healthy digestion, help maintain the integrity of the intestinal lining, support proper intestinal motility and participate in the detoxification process.* This product utilizes bacterial strains that have been clinically validated for their support of healthy immune system function.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: Consult physician if pregnant/nursing, taking medication (especially immune-suppressing drugs), or have a medical condition (especially if immune system is compromised). Keep out of reach of children. Do not eat freshness packet. Keep in bottle.

The probiotic strains in this product have been identity-verified using DNA-fingerprinting technology.
