

Suggested Usage: Take 3 capsules with 8 oz. glass of liquid, 2 to 3 times daily.

Surveys have shown that the fiber content of the American diet is typically about half of government recommended levels. Psyllium husks can be a convenient way to increase the intake of dietary fiber.* Psyllium has the ability to swell up to 50 times its initial volume when added to liquid. This bulking action can play an important role in maintaining regularity and gastrointestinal health.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

NOTICE: This product should be taken with at least a full glass of liquid. Taking this product without enough liquid may cause choking. Do not take this product if you have difficulty in swallowing.

Natural color variation may occur in this product.

Store in a cool, dry place after opening.
