

Suggested Usage: Take 1 capsule 1 to 2 times daily.

Maca (*Lepidium meyenii*) is grown at high elevations in the Andes region of central Peru. It has been traditionally used for centuries as a food source and as a general energy tonic.* More recent scientific data suggest that "gelatinized" maca may help to support healthy sexual activity and fertility for men.* Clinical data indicate that maca does not exert a direct effect on endocrine function.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product.

Store in a cool, dry place after opening.

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving

Organic Raw Maca Root (6:1 Concentrate) (<i>Lepidium meyenii</i>) (Gelatinized - vegetarian)† (Equivalent to 4,500 mg of fresh Maca Root)	750 mg**
---	----------

** Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Hydroxypropyl Cellulose, Silicon Dioxide and Stearic Acid (vegetable source).

Not manufactured with yeast, wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

†Gelatinization is a completely vegetarian process that removes starch from maca to yield a more concentrated product. Gelatinization does not refer to "gelatin", and no animal derived ingredients are incorporated into this process.
