

Suggested Usage: Take 1 capsule 1 to 2 times daily on an empty stomach.

Rhodiola (*Rhodiola rosea*) is indigenous to the Arctic and Alpine regions of Europe, Asia and America and has long been used as a tonic by many cultures, including the Ancient Greeks. Rhodiola is generally known as an "adaptogen," a term which refers to any agent possessing the ability to support the body's natural capacity to adapt to life's changing conditions.* Our Rhodiola is standardized to 3% total rosavins and 1% salidroside.
