

Suggested Usage: Take 1 softgel 1 to 3 times daily with food.

Krill oil is known for its unique fatty acid (FA) profile, which includes EPA and DHA, plus phospholipids. In addition, krill oil naturally has astaxanthin, a powerful free radical scavenger and immune-supporting carotenoid.* Clinical studies have shown that NKO® krill oil can help to support joint comfort, healthy blood lipid levels already within normal range, and may help to maintain healthy feminine balance.* The phospholipid-bound forms of EPA and DHA from krill oil have also demonstrated exceptionally high bioavailability.*

This krill oil is manufactured under strict quality control standards. It is tested to be free of potentially harmful levels of contaminants such as PCBs, dioxins, mercury and other heavy metals.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Not manufactured with yeast, wheat, gluten, soy, milk, egg or fish ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication (especially anticoagulant or anti-platelet medications), or have a medical condition. Do not use this product if you have a seafood allergy. Keep out of reach of children.

Natural color variation may occur in this product.

Store in a cool, dry place after opening.
