

**Suggested Usage:** Take 1/4 level teaspoon daily in juice or water.

Vitamin C is a water soluble nutrient well known for its vital role in the immune system.\* Vitamin C is necessary for the production of collagen (a structural protein in connective tissue) and is therefore important for skin, bone, and joint health.\* Vitamin C is needed for amino acid metabolism and the utilization of many nutrients such as folic acid and iron.\* It is also a highly effective antioxidant that can protect the body's cells and molecules from damage by free radicals and reactive oxygen species generated during normal metabolism and exposure to environmental stressors.\*

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

**Caution:** For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product.
