* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Coenzyme Q10 (CoQ10) is a naturally occurring nutrient found in the cell mitochondria where energy is produced, and the heart contains the highest concentration of CoQ10. However, CoQ10 levels naturally decrease with age and can lead to concerns of the heart health. CoQ10 Enhanced Absorption formula helps to support cardiovascular function and energy levels in the body.*
