

Better Products For A Better Life

Suggested Use: Take 2 tablets 1-2 times daily on an empty stomach.

JOINT COLLAGEN PLUS contains 1000 mg of type II collagen, the key structural protein in cartilage tissue, plus hyaluronic acid, grape seed extract and vitamin C to promote collagen synthesis. Research suggests 50% of all protein in cartilage and 90% of the collagen in joints are made of type II collagen. Although our body can synthesize collagen, the amount of collagen our body synthesizes can reduce with age, and supplementing with high-quality type II collagen can help provide nutritive support for healthy joints and maintain youthful looking skin.*

Store unopened bottle in a cool, dry place.

Warning: Do not use under the age of 18 years old. If you are pregnant, nursing or taking any medications, consult your physician before using this product. Discontinue use and contact your physician if any adverse reactions occur. **DO NOT USE IF OUTER SEAL IS MISSING OR BROKEN.** Keep out of reach of children.

JOINT COLLAGEN PLUS is manufactured by Confidence USA, Inc., an FDA registered manufacturer following strict Good Manufacturing Practices. (FDA Registration #10362791850 - Product Code #CFJCP20141646)
