

Suggested Use: Take one (1) lozenge per day. Allow lozenge to dissolve completely by swirling around mouth before swallowing. For additional oral care support, a second lozenge can be taken, or as directed by your healthcare practitioner.

TrueOC™ contains BLIS K12™ and BLIS M18™ which are two strains of the naturally occurring probiotic organism *Streptococcus salivarius*. Orange flavor.

When taken regularly, these specific probiotic strains may help support several aspects of tooth and gum health and protect against the overgrowth of bacteria that causes bad breath. In addition, BLIS K12™ and BLIS M18™ help support upper respiratory, ear and throat health.†

ACTIValue® aloe vera provides additional support for tooth and gum health.†

Manufactured for and
