

DIETARY SUPPLEMENT

The scientifically designed dietary supplement contains 250 mcg (10,000 IU) of Vitamin D₃. As an essential part of the human diet, Vitamin D is well recognized for its potential role in the absorption of calcium and phosphate.†

DIRECTIONS

For adults, take one (1) capsule daily, preferably with a meal, or as directed by a physician.

If you are pregnant, nursing, taking medication, or have a medical condition, consult your physician before using this product.
