

DIETARY SUPPLEMENT

MAGNESIUM ATP is a scientifically-designed supplement containing the essential mineral, magnesium, in a bio-available form. This unique formula is adsorbed to multilamellar liposomes for maximal absorption. The tablet is processed with an enteric coating to protect the delicate molecules from denaturation in the stomach. Contains NO yeast, corn, wheat, peanuts, egg or milk.

DIRECTIONS

Take one or two tablets daily, or as directed by a physician.

This product has not been evaluated by the FDA.
