

DIRECTIONS: Blend, shake, or briskly stir two level scoops (58 g) into 8-12 oz chilled water and consume once or twice daily, or as directed by your healthcare practitioner. Adjust amount of water to desired sweetness and thickness.

OptiCleanse™ Plus provides macro- and micronutrients that support all phases of biotransformation and detoxification; these nutrients also support the mitochondrial energy production necessary to complete this vital function. OptiCleanse Plus is easy to digest and has a low-allergy potential, a pleasant taste, and no added fructose. OptiCleanse Plus features **VegaPro™**, XYMOGEN's proprietary pea/soy protein blend; **AminoGen™**, to facilitate protein absorption; activated B vitamins, such as riboflavin 5'-phosphate (B2), pyridoxal 5'-phosphate (B6), 5-methyltetrahydrofolate (folate), and methylcobalamin (B12); and **Abion's** patented **TRAAACD™** mineral amino acid chelates. 5-methyltetrahydrofolate (5-MTHF) is provided as **Quatrefolic™**, a stable, bioavailable form of folate. In conjunction with a modified elimination diet, OptiCleanse Plus not only addresses healthy detoxification, but also supports energy generation. This formula is suitable for vegans.*

Per Serving (2 scoops):

	9 g
Branched-Chain Amino Acids (Leucine, Isoleucine, Valine)	4565 mg
	250 mg
