Not manufactured with wheat, gluten, milk, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

ImmunEnhancer[™] is a trademark of Lonza.

Allisure[®] is a registered trademark of Allimax International, Ltd.

SUGGESTED USAGE: As a dietary supplement, take 1 softgel 2 times daily with food as needed. Consider taking these other NOW[®] products: Geri-Dophilus[™], Immune Renew[™] and Super Colostrum.

NOW[®] AlliBiotic CF[™] is scientifically designed to help support healthy seasonal and year-round immune function. This potent herbal formula is fueled by Allisure[®], a clinically-tested and unique form of stabilized Allicin. Allicin is responsible for the strong immune supporting properties in garlic, and has become an increasingly popular way to promote overall wellness. In addition to Allisure[®], we've added Elderberry Extract, Olive Leaf Extract and Oregano Oil - three natural compounds that have been used extensively to provide sound immune system support. ImmunEnhancer[™] is a non-digestible soluble fiber from Larch that has been included as a prebiotic supplement and helps in supporting healthy intestinal flora - a key component of immune response.*
