V3

Do Not Eat Freshness Packet. Keep in Bottle.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

tablet!

This Garlic product is standardized to yield allicin precursors, which convert to allicin when ingested. It is enteric coated so that this conversion occurs in the upper intestine for optimal absorption and to protect against garlic's pungent odor. The allicin precursor levels are achieved through a special process that keeps Garlic's moisture low. This process maintains allicin potential while preserving all of the natural goodness of whole fresh garlic. Enjoy the benefits of this odor-controlled garlic

SUGGESTED USAGE: As a dietary supplement, take 1 tablet daily with a meal. Consider taking these other NOW® products: Hawthorn Extract, Immune Renew™ and Chlorophyll.

Garlic 5000
