DIRECTIONS: Take two capsules with meals, twice daily, or as directed by your healthcare practitioner.

Children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

Ossopan MD™ contains Ossopan, a well-researched, standardized extract from one of the world's safest premium sources of bone. Ossopan contains microcrystalline hydroxyapatite concentrate (MCHC), a complex crystalline compound containing calcium, phosphorus, bioactive growth factors, type I collagen, amino acids, glycosaminoglycans, and a broad range of essential trace elements that naturally comprise healthy bone. Ossopan MD contains additional calcium and magnesium in the form of highly absorbable Albion® mineral chelates. Vitamin D, in the form of cholecalciferol, is present to support intestinal calcium absorption and homeostasis in the body and completes this comprehensive bone-support formula.*
