

## \*\*\* SIX STAR® CASEIN PROTEIN IS ENGINEERED FOR ALL ATHLETES \*\*\*

Six Star® Casein Protein is from the makers of MuscleTech®, America's #1 Selling Body Building Supplement Brand, so you know it's a powerful formula you can trust. Whether it's your first time at the gym or you're a seasoned vet, pro athlete or just trying to gain that extra edge in your sport, everyone is an athlete, and every athlete needs to fuel their body with the best sports nutrition products available. Formulated with 24g of high-quality protein for prolonged amino acid delivery for up to 8 hours, Six Star® Casein Protein is the fuel you need at any time of the day, best taken before bed, and is **Engineered for All Athletes**.

### Six Star® Casein Protein Is For:

### Benefits of Six Star® Casein Protein:

- Provides sustained-release casein protein
- Provides the BCAAs leucine, isoleucine and valine
- Casein protein component prolongs amino acid delivery
- Supports muscle recovery when used to help you meet your daily protein requirements\*
- Delivers 24g of protein in every serving

### Award-Winning Taste You Will Love

The American Masters of Taste, a prestigious panel of chefs and flavor experts, awarded Six Star® Casein Protein the Gold Medal for Superior Taste. Trust Six Star® Casein Protein for optimum performance and award-winning taste you'll love.

### Powered by Sustained-Release Casein Protein

100% of the casein protein component in Six Star® Casein Protein is high-quality casein, which is a slow-release form of protein that contains essential, non-essential and branched chain amino acids – and with added milk protein, you get a sustained release for up to eight hours.

### Prolonged Amino Acid Delivery Before Bed

Research has shown that casein protein has a slow absorption rate into the bloodstream, which results in sustained amino acid delivery. The slower digestion and delivery help feed your muscles with a continued flow of powerful amino acids. Take Six Star® Casein Protein between meals and before bed.

### FOR BEST RESULTS, STACK WITH:

**PRE** Use 30 to 45 minutes before workout

Pre-workout powder engineered to enhance muscle performance, increase energy and get you pumped while you train.\*

**POST** Pre- & post-workout, between meals

Advanced whey protein formula designed to help build muscle and strength.\*

## How to Make the Perfect Whey Protein Shake:

SHAKE BLEND

*Tip: Try blending with ice, your favorite fruit, juice, peanut butter, or anything else you enjoy for a delicious smoothie.*

**Directions:** Mix 1 scoop (1 serving) with 10 oz. of skim milk or water. Take 1 to 2 servings per day, one of which before bed. For full effects, take 2 servings at once. Do not exceed 2 scoops (2 servings) in a 24-hour period. Read the entire label before use and follow directions provided.

**NOTICE:** Use this product as a food supplement only. Do not use for weight reduction.

**WARNING:** Do not use if you are pregnant or nursing. Consult a medical doctor before starting a diet or exercise program or if you have a medical condition. **KEEP OUT OF REACH OF CHILDREN.**

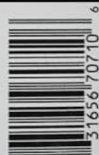

Do not use if packaging has been tampered with. Store in a cool, dry place (60°F to 80°F).

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

**Note:** To maintain product freshness, store in a cool dry place. This product is sold by weight, so some settling may occur. Shake container before use.
