

Blood Sugar Breakthrough is specifically designed to help reduce and stabilize blood glucose levels around mealtimes.[†] May support those with insulin resistance.[†] May benefit those wanting to balance blood sugar levels around simple carb "cheat meals".[†]

Directions: Take 2 capsules before each meal. Store in a cool/dry location.

Caution: Keep out of reach of children. As with any product, discontinue immediately if adverse effects occur. Please consult a physician before beginning any new supplement, diet, training program, or if you are undergoing treatment of a medical condition.
