Caution: For adults only. Consult physician if pregnant/nursing, taking anti-hypertensives, bisphosphonates, or other medications, or have a medical condition. Keep out of reach of children.

Do Not Eat Freshness Packet. Keep in Bottle.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

SUGGESTED USAGE: As a dietary supplement, take 1 capsule 1 to 2 times daily, 30 minutes before meals. For best results, do not take with milk products. Consider taking these other NOW® products: CLA and L-Carnitine.

NOW® Green Coffee Diet Support features a Green Coffee Bean Extract (GCBE) with a substantial amount of naturally occurring Chlorogenic Acids. Scientific studies suggest that Chlorogenic Acids and other GCBE constituents may help to promote normal glucose management and to support pancreatic health. In addition, research indicates that GCBE can help to support healthy blood flow and vascular function. Chlorogenic Acids are also known to be powerful free radical scavengers.*
