Now® Extra Strength Thermo Green Tea™ offers a convenient way to

obtain the active constituents of Green Tea in a concentrated form.

With 350 mg EGCG (Epigallocatechin Gallate), this powerful Green Tea

extract combines the natural free radical quenching power of Green Tea

with its ability to support cellular thermogenesis and promote proper fat

utilization. Extra Strength Thermo Green Tea™ therefore represents a

healthy way to assist you in achieving optimal energy expenditure, as

part of a balanced diet and exercise program.*
