Do Not Eat Freshness Packet. Keep in Bottle.

Caution: For adults only. Consult physician if pregnant/nursing,

taking medication, or have a medical condition. Keep out of reach

of children.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

and facilitate energy production.*

Pyruvate is a key metabolite of carbohydrate metabolism that is needed to begin the citric acid cycle, the process by which cells produce energy in the form of ATP. As the main chemical fuel of the body, ATP powers most vital functions throughout the body, including muscular movement. Pyruvate is also important in a number of other metabolic pathways, including those that result in fat and protein metabolism, as well as in glycogen storage. Pyruvate can therefore help to readily replenish cellular fuel supply

SUGGESTED USAGE: As a dietary supplement, take 1 tablet daily, preferably with food. We recommend using this product with a rigorous diet and exercise program for best results.

Calcium Pyruvate Cellular Fuel* 180 Tablets

A Dietary Supplement Vegetarian/Vegan

Pyruvate 1000 mg
