

DIRECTIONS: Consume the contents of one packet twice daily, or as directed by your healthcare practitioner.

Children, pregnant or lactating women, and individuals using blood thinners should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

ActivEssentials™ with Calcium is a combination of four targeted nutritional formulas packaged together to provide convenient and comprehensive nutritional support.

ActivNutrients without Iron™ A high-quality, hypoallergenic, proprietary multivitamin/mineral blend featuring activated vitamins, including folate as a blend of folic acid and 5-MTHF (5-methyltetrahydrofolate), and patented Adion® chelated mineral complexes in easy-to-swallow vegetable capsules.

OmegaPure 600 EC™ An ultra-pure, Norway-sourced, molecularly-distilled, concentrated fish oil that is stabilized with vitamin E as mixed tocopherols to maximize freshness. Each pleasant-tasting, enteric-coated softgel provides 360 mg EPA and 340 mg DHA from 1.1 g fish oil. The manufacture of OmegaPure 600 EC is in accordance with pharmaceutical standards that assure safe, consistent fish oils. Research shows that consumption of EPA/DHA supports cardiovascular health.*

Oxinox™ An innovative blend of ORAC botanicals. ORAC (oxygen radical absorbance capacity) is a rating developed by the National Institute on Aging to measure antioxidant capacity. An ORAC rating of 8000 µmol TE (trolox equivalents), as found in two capsules of Oxinox, has been shown to have the antioxidant equivalent of five to nine servings of fruits and vegetables.*

Osazon 1100™ Features MCHC (microcrystalline hydroxyapatite concentrate), a complex crystalline compound composed primarily of calcium, phosphorus, organic factors, protein matrix, growth factors, and a full spectrum of trace minerals that naturally comprise healthy bones.*

Each packet contains: 2 ActivNutrients without iron capsules, 1 Oxinox capsule, 1 OmegaPure 600 EC softgel, and 1 Osazon 1100 capsule.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

STORAGE: Keep closed in a cool, dry place out of reach of children.

DOES NOT CONTAIN: Wheat, gluten, yeast, soy protein, dairy products, shellfish, peanuts, tree nuts, egg, artificial colors, artificial sweeteners, or preservatives.
